Highlights

Easy induction charging

Sit the SoftPal on its docking station and press the button so induction charging will start automatically. When your SoftPal is fully charged, the light indicator on the dock will switch off automatically.

For a night filled with light

With the LED light inside, your SoftPal can light up the night in a sure and safe way: always cool to touch. Thanks to its LED, SoftPal will shine for longer too.

Safe and soft to touch

The SoftPal is a soft and squeezable cuddly light friend containing no BPA.

Specially designed for kids

Specially designed for kids, the SoftPal is sure to bring a world of light to your child's bedroom and sleep time in a safe and comforting way.
